29th February, 2012

Dear Parents,

On behalf of the La Salle College Parent Teacher Association (LSCPTA), I would like to solicit your generous contribution in the coming LSC 80th Anniversary Walkathon, jointly organized by La Salle College, the LSCPTA, the La Salle College Old Boys’ Association, and the La Salle Foundation.

One of the objectives in addition to celebrating as a school community our 80th Jubilee is the objective to raise funds for the La Salle Foundation Ltd LSC 2020 Fund Raising Drive. We are not a DSS school and we have to be self-reliant and the funds received will support projects such as hiring of additional staff, purchasing of equipment, upgrading our physical and IT plant and funding our cultural and sports teams.

The school spirit among our parents is very evident to me in such a short time here and therefore I am confident we will have large numbers of parents, friends, and her families joining this meaningful and healthy event. Participants are welcome to join the event on individual basis, class basis, team basis, or family basis. To recognize your contribution and to make the event more exciting, prizes will be set for:

- the Team in Most Attractive Uniform,
- the Team with the Highest Donation,
- the Largest Team” (number of team members), and
- the Best Photographer.

Your generous donations will greatly help our school as we need to refurbish and maintain our above standard facilities as well as ensuring our standard faculties do not fall behind and now also upgrade our IT network so that we can provide an education for 21st century learning outcomes and remain globally competitive. All you need is to ask your son to return the completed application form to his Form-Teacher on or before 7th March 2012 (Wed). A registration form will be distributed to him in late March and he can then start appealing for donations from friends and relatives. He will bring along the completed registration form to the Walkathon and stamps will be chopped on it at the “Starting Point” and “Finishing Point”. After the event, he will return the stamped registration form with the donation collected to the Form-Teachers on or before 27th April 2012 (Fri). Cheques are to be made payable to “La Salle Foundation Ltd.”

Sincerely,

_____________________ ______________________
Br. Steve Hogan  Mr. Thomas Wong
Principal, La Salle College  Chairman, Organizing Committee
